

Join the Binteko Software Affiliate Program!

Promote software on your website and get paid for it!

Get **20%** commission on every sale you refer! [Become a Binteko Software affiliate today!](#) [1]

Our software products are available for sale through the [Avangate Affiliate Network](#) [2].

To start selling, all you need to do is display product information and “Buy Now” links on your website.

Guaranteed Affiliate Commission

When a visitor follows a link or banner from your site, Avangate *keeps track of your Affiliate ID for 120 calendar days*. That's 4 months during which any order placed by the same user guarantees your affiliate commission.

It's as easy as 1, 2, 3...

Avangate takes care of the ordering process, product delivery and customer support.

- No need to store any software on your servers, or keep track of licenses
- No hassles related to invoicing or payments from customers
- No setup fee, no start up cost, no hidden performance targets to reach!

You will also benefit from comprehensive affiliate reports that will show you exactly how you perform.

Monthly payments

You will get your commissions every month, either transferred to your **Avangate Prepaid Debit MasterCard** or sent via **wire transfer, check** or **PayPal**.

Start selling now!

Use every available channel of promotion you have - website, newsletter, etc! Remember - the more referral links you create, the more chances you have to make money from your web site!
