

## Join the Binteko Software Affiliate Program!

### Promote software on your website and get paid for it!

Get **20%** commission on every sale you refer! [Become a Binteko Software affiliate today!](#) [1]

Our software products are available for sale through the [Avangate Affiliate Network](#) [2].

To start selling, all you need to do is display product information and “Buy Now” links on your website.

### Guaranteed Affiliate Commission

When a visitor follows a link or banner from your site, Avangate *keeps track of your Affiliate ID for 120 calendar days*. That's 4 months during which any order placed by the same user guarantees your affiliate commission.

### It's as easy as 1, 2, 3...

Avangate takes care of the ordering process, product delivery and customer support.

- No need to store any software on your servers, or keep track of licenses
- No hassles related to invoicing or payments from customers
- No setup fee, no start up cost, no hidden performance targets to reach!

You will also benefit from comprehensive affiliate reports that will show you exactly how you perform.

### Monthly payments

You will get your commissions every month, either transferred to your **Avangate Prepaid Debit MasterCard** or sent via **wire transfer, check** or **PayPal**.

### Start selling now!

*Use every available channel of promotion you have - website, newsletter, etc!* Remember - the more referral links you create, the more chances you have to make money from your web site!
